Procedure and Wild Card Entry Forms for the 2020 FIM Superbike, Supersport & Supersport 300 World Championships

Dear Madams, Dear Sirs,

We are pleased to send you the Wild Card Entry Forms here attached, and remind you of the wording of Articles 1.10 to 1.11.7 of the 2020 FIM Superbike, Supersport & Supersport 300cc World Championships Regulations.

Please note that the dead line to submit your entries is **45 days before the event for European rounds** and **90 days before the event for rounds outside Europe.**

We remind you that the **FIM will emit the licence** once the Wild Card candidates have been approved by the SBK Commission and confirmed by the FIM. **The licences will be not reimbursed once they have been issued.**

We remind you that from 2020, the Wild Card and One event contracted riders will be under the FIM Riders International Insurance Program **except for riders holding a licence from ACCR (Czech Republic), DMSB (Germany), FMS (Switzerland), KNMV (The Netherlands) and SMF (Slovakia).**

We also draw your attention on the Practice and testing Restrictions applicable for Wild Cards now also applicable for Wild Card riders.

1.10 ELIGIBLE COMPETITORS

(...)

1.10.1.1 Minimum age

- Supersport 300 15 years
- Supersport 16 years
- Superbike 18 years

The limit for the minimum age starts on the date of the rider's birthday.

1.10.1.2 Maximum age Superbike and Supersport

The limit for the maximum age finishes at the end of the year in which the rider reaches the age of 50.

1.10.1.3 Maximum age Supersport 300

The maximum age is 28 years at the 1st of January of the corresponding Championship year.

1.11 ENTRIES AND WILD CARDS

(...)

1.11.2 *For Riders holding a licence from ACCR (Czech Republic), DMSB (Germany), FMS (Switzerland), KNMV (The Netherlands) and SMF (Slovakia), the FIM Insurance Program does not apply. The insurance of these riders is the responsibility of these FMNs. Therefore, the team must specify the insurance company providing the minimum cover specified by FIM, the number and the expiry date of such policy.*

(...)

1.11.5 *A rider, entered in a round of the Supersport 300 Championships, cannot participate in a support race during the same event and on the same track.*

1.11.6 *Each Event host Federation (FMNR) may nominate 2 wild card entries for the Superbike, Supersport & Supersport 300, in their own event only.*

Once the wild cards have been nominated by the FMNR, DWO can nominate "one event" riders.

These "one event" riders must be holders of an appropriate licence issued by any FMN and wild card entries must be submitted by the FMNR to the FIM, on the official entry form issued by the FIM, at least 45 days (90 days in case of events outside of Europe) before the events. Exceptions may be granted by FIM / DWO.

All entries will be submitted to the approval of the Superbike Commission.

When a wild card licence is confirmed and issued by the FIM, the cost of this licence will not be reimbursed to the rider who withdraws its participation to the race.

Wild card entries are subject to the insurance requirements under 1.11.2.

Accepted entries will be required to pay to DWO a fee to cover the costs of materials provided for their participation.

1.11.7 *A compulsory briefing will be held for all the riders who will be participating for the first time in the current Championship, at 18:00 hrs the day before the first practice session is scheduled.*

Failure to attend the briefing in full may result in a penalty.

A waiver can be granted to a rider by the Race Direction.

(...)

1.15 PRACTICE

1.15.1 Practice and testing Restrictions

(...)

e) Wild cards and one event riders may test at anytime except at the same location as a FIM World Superbike Championship event during the 11 days preceding the day of first practice of that event.

Furthermore, we kindly ask you to mention on a separate sheet, the “palmares” and Curriculum Vitae of your rider/candidate.

Please find below a table with the deadlines for submitting to us your wild card requests. For obvious logistic reasons (tyres fuel, paddock allocation and layout, programs etc.), **late requests will therefore not be accepted.**
