# **FIM Enel MotoE™ World Cup**

**2020 Calendar, UPDATE 26 March**

## **MotoE™ Jerez round postponed**

The announcement from the FIM, IRTA and Dorna regarding the postponement of the Red Bull Gran Premio de España entails the postponement of the first MotoE™ event of the season, which was also set to be held at the Circuito de Jerez-Angel Nieto from the 1st to the 3rd of May. The ongoing coronavirus outbreak has obliged the events to be postponed.

The second pre-season test for the FIM Enel MotoE™ World Cup, originally planned for the 8th to the 10th of April in Jerez, will also not take place as scheduled.

As the situation remains in a state of constant evolution, new dates for the MotoE™ test and first race cannot be confirmed until it becomes clearer when exactly it will be possible for them to take place. A revised calendar will be published as soon as available.
