FIM S1GP SuperMoto World Championship & FIM SuperMoto of Nations

2020 calendars, UPDATE 13 MAY

Due to the global situation regarding the COVID-19 pandemic, the FIM and the promoter XIEM would like to confirm the following changes to the 2020 FIM S1GP SuperMoto World Championship calendar.

The FIM, XIEM and the local organisers are continuing to work together to preserve as much of the 2020 FIM SuperMoto World Championship calendar as possible. Some events have been cancelled and others postponed as stated below:

- The Italian GP (Ortona) scheduled for 21 June has now been moved to 20 September
- The Sicilian GP (Triscina) scheduled for 12 July, the Austrian GP (Greinbach) scheduled for 2 August and the Spanish GP (Forcarei) scheduled for 6 September have unfortunately been cancelled.
- The FIM SuperMoto of Nations in Italy (Busca) scheduled on 4 October has been postponed to 25 October.

The new calendar has been planned taking into consideration the local restrictions and laws, and to facilitate the movement of teams and riders as we do not yet know the provisions governing travel between countries at this time.

With the ongoing and current situation around the world, these changes were inevitable; however we would also like to thank all parties for their kind understanding during this time as we continue to monitoring the situation on a daily basis.

XIEM would like to thank the FIM, FIM Europe as well as all the National Federations and the local organisers for their support and cooperation during this difficult time.
