FIM Long Track of Nations 2020 cancelled

Given the ongoing circumstances and travelling restrictions associated with the Coronavirus disease (COVID-19) pandemic, the FIM has decided to cancel the 2020 FIM Long Track of Nations originally set to take place on 5 September in Morizes, France.

In making this difficult decision, careful consideration was given to the fact that several federations have already withdrawn their participation for 2020.

As with all FIM Championships, it was necessary to organise an event that was fair to all parties and with this in mind the FIM decided that given the circumstances the right and proper decision was to cancel the 2020 edition.
