FIM Speedway Grand Prix World Championship 2020 Calendar UPDATE 01 JUNE

Adrian Flux British FIM Speedway Grand Prix cancelled

Due to ongoing health concerns and UK government restrictions regarding COVID-19, we regret to announce that the 2020 Adrian Flux British FIM Speedway Grand Prix, scheduled to take place at Cardiff's Principality Stadium on July 18, has been cancelled.

This decision was made after careful consideration and consultation with the FIM, BSI Speedway, Principality Stadium, Welsh Government and Cardiff City Council, with the health and safety of supporters and riders remaining the top priority.

Due to the considerable logistical issues posed by the current circumstances, it was agreed that it would not be possible to stage the event at a later date in 2020.

Following discussions with Principality Stadium, we are however pleased to announce that the 2021 event - and still the 20th British FIM Speedway Grand Prix to be held at the venue - will take place on July 17, 2021.

Paul Bellamy, Managing Director & SVP of Motorsports, IMG, said: "We are extremely disappointed that we won't get the chance to celebrate 20 years of British SGP action under the Principality Stadium roof next month.

"We know how much everyone looks forward to the British SGP weekend in Cardiff - a chance to meet up with fans and friends from around the world, enjoy great racing and experience the unique atmosphere generated by our thousands of fans.

"Our focus will now be on delivering a fantastic event on 17 July 2021 to celebrate the 20th staging of the British SGP in Cardiff in style.

"Meanwhile we are working hard with the FIM, our venues and stakeholders on our re-arranged plans for the 2020 FIM Speedway World Championships presented by Monster Energy later this year and will issue further updates on that in due course."

Triple world champion Tai Woffinden looks forward to returning to the Welsh capital next summer. He said: "The British SGP is always an awesome weekend, so I'm gutted I won't get the chance to race in front of a Cardiff crowd this year.

"But that only makes me hungrier for next season's event. The atmosphere is unreal. It's always a special night and I can't wait to be back in July next year. Stay safe and I'll see you all then!"

We thank our fans for their ongoing support and look forward to seeing everyone at next year's Adrian Flux British FIM Speedway Grand Prix at the Principality Stadium.

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
