FIM S1GP SuperMoto World Championship & FIM SuperMoto of Nations

2020 Calendar UPDATE 18 JUNE

In relation with the ongoing Coronavirus disease (COVID-19) pandemic, the FIM and XIEM wish to announce that further changes have been made to the S1GP and S2 2020 race calendars.

XIEM together with the FIM, FIM Europe and the local organisers have been working hard to preserve as much of the 2020 FIM SuperMoto World Championship calendar as possible, whilst taking into account the local government rulings and ongoing associated travel restrictions due to the pandemic.

As a consequence, XIEM; the FIM and FIM Europe have been forced to cancel the French Grand Prix in Le Castellet that was scheduled to run on 30 August.

Additional changes have also been necessary in order to preserve the 2020 FIM SuperMoto World Championship. XIEM and the FIM have therefore opted for three Grand Prix - all to be held in Italy - with a total of nine races (three per event):

The FIM SuperMoto of Nations has been cancelled.

Revised calendar:

Date	FMNR	Venue	Country
30 August	FMI	Castelletto di Branduzzo	Italy
20 September	FMI	Ortona Circuit	Italy
04 October	FMI	International Circuit of Busca	Italy

About the FIM (www.fim-live.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
