FIM Flat Track World Championship

2020 Calendar

“The FIM and the Track Racing Commission are very proud to announce the launch of the first-ever FIM Flat Track World Championship in 2020.

A lot of work has been done in the previous years for this discipline, starting with the Flat Track Trophy in 2011, which then became a World Cup in 2012.

Flat Track is a discipline that deserves such a status and the FIM will make sure that this World Championship will become very prestigious in a short time.” - Armando Castagna, Director of the Track Racing Commission.
