Licence and accident insurance for riders
2010 FIM Superbike & Supersport World Championships & 2010 Superstock 1000cc FIM
Cup

Dear Sirs,

You have received recently the provisional list of riders engaged to participate in the 2010 FIM Superbike & Supersport World Championships and in the 2010 Superstock 1000 FIM Cup.

We remind you that at the first event of the Championship or the Cup, all riders will have to attend the obligatory briefings according to Art. 1.11.7 and 1.11.8 of the FIM Superbike & Supersport World Championships and the FIM Superstock Cup 2010 Regulations.

At this meeting, the riders will have to present their FIM appropriate licence issued by their National Federation.

We consider that the issuance of this FIM Superbike or Supersport World Championship or FIM Superstock Cup licence attests:

- that the rider concerned is insured against personal accidents with an insurance policy guaranteeing the minimum conditions stated by the FIM (Art. 1.11.2);
- that the rider is authorised by his federation to take part in this Championship.

For information, the minimum obligatory coverages for riders holding an FIM licence are as follows:

- | | |
|-----------------------------------|----------------|
| - In case of permanent disability | €uros 50'000.- |
| - In case of death | €uros 25'000.- |
| - For medical treatment | €uros 10'000.- |
| - Repatriation | €uros 4'000.- |

Please note that **any rider who is not able to present his licence (and therefore cannot prove his insurance cover and start permission) will not take part in the event.**

In order to facilitate the administrative control, we kindly ask you to issue a list of all the licences (and starting permissions) issued for your riders and send it to our Promoter (IMS : Olga.Yarets@infrontsports.com).

Thank you for taking good note of the above and for avoiding all licence or insurance problems.

For your information, please find here-attached the entry lists for the first round which will take place at Phillip Island.

We thank you for ensuring the application of this procedure.

Yours sincerely,
